- 8.G Approval for change order to existing Council Approval (12/16/22) for CDP - Custom Data Processing EHR (EzEMRx) solution. CDP will add an integrated cloud based platform that allows DCHD to enhance real time customer engagement within EHR. The Twilio API facilitates voice, message, video, and email interactions, helping the DCHD provide tailored client experience. CDP is able to provide the solution at a reduced cost of \$100.00/month as CDP has an existing optional integration with Twilio. This will increase the approved total contract cost from \$199,445.04 by approx. \$3,600.00 to \$203,045.04.
